

# Ultraje a Rigor - Oh Carol

Tom: E

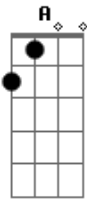

A  
Oh Carol  
I am but a fool  
darling I love you  
though you treat me cruel  
You hurt me  
and you make me cry  
but if you leave me

I will surely die  
Darling there will never be another  
because I love you so  
don't ever leave me  
say you'll never go  
I will always want you for my sweetheart  
no matter what you do  
oh Carol  
I'm so in love with you
