Am
Amigo punk
escuta este meu desabafo
que a esta altura da manhã
já não importa o nosso bafo
Pega a chinoca
monta no cavalo e desbrava esta coxilha,
atravessa a Oswaldo Aranha,
e entra no Parque Farroupilha
Amanhecia, e tu chegavas em casa com asa

E
a tua mãe dá bom dia e se prepara pra marcar o gado
com o ferro em brasa
E não importa se não tem lata de cola
eu quero agora é seostar nos teus pelegos
com o cavalo galopando campo afora
o meu destino é Woodstock mas eu chego
Aonde eu ouço a voz da acordeona
já escuto o gaiteiro puxando o fole
vai animando a gauderiada no bolixo
enquanto eu sigo detonando um Hard-core
