

# Umbanda - Oxum Na Cachoeira 2

Tom: **A**

m  
Eu vi mamãe Oxum na cachoeira

Sentada na beira do rio

Colhendo lírios, lírios é

Colhendo lírios, lírios Ah

Colhendo lírios pra enfeitar nosso gongá

Mamãe Oxum, não chora

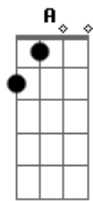

A cachoeira é sua

É no clarão do sol

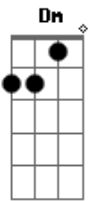

É no romper da lua

Aiêiê Oxum!!
