

UMI - Introspection

tom:

Ooh-oooh, ooh
 Ooh-oooh, ooh, ooh
 Ooh-oooh, ooh
 Ooh, ooh, ooh, ooh

Pretty girl, pity hurts
 Know you walk across a fine line and
 Your pretty curls hide your pretty pearls
 No, no, I'm thinking like

Why I'm so afraid to fight back?
 I got a lot of shit to unpack
 I never write back
 I think it's my bad
 I shouldn't take it in
 I try to go within myself

Wish the thoughts would go away
 (My God, my mind be)
 Floatin' farther away (I go so far, see?)
 All the truth I couldn't face
 (I thought I knew it)
 Told myself I couldn't face (I)
 I wouldn't face you

It's all in my mind, it's only emotion
 Just look for a sign and swim into the ocean
 See what you find, could never define
 Allow the divine (Allow the divine)

To alter your courses, yeah, ayy

Why I'm so afraid to fight back?
 I got a lot of shit to unpack
 I never write back
 I think it's my bad
 I shouldn't take it in
 I try to go within myself

Wish the thoughts would go away
 (My God, my mind be)
 Floatin' farther away (I go so far, see?)
 All the truth I couldn't face
 (I thought I knew it)
 Told myself I couldn't face (I)
 I wouldn't face you

Wish the thoughts would go away
 (My God, my mind be)
 Floatin' farther away (I go so far, see?)
 All the truth I couldn't face
 (I thought I knew it)
 Told myself I couldn't face (I)
 I wouldn't face you

Oh, oh
 Oh, oh
 Oh, oh-oh-oh
 Oh, oh, oh
