

# UMI - Remember Me

Tom: Bb

(forma dos acordes no tom de A )  
Capostrate na 1ª casa

[Solo]

( A E )

[Primeira Parte]

Wrote you a letter  
Now that I'm here without you  
Hope that you're better  
Hope that you found someone new

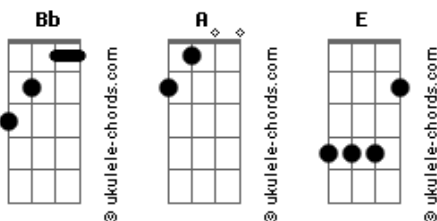

[Pré-Refrão]

'Cause I'm getting older  
Know that I've changed  
And I can't go back now  
Nothing's the same  
But I won't forget how  
You called my name  
When I was afraid  
And now I'm afraid

[Refrão]

Will you remember me  
Will you remember the way that I was  
Will you remember me  
Will you remember the way that you felt when you're next to me  
Will you remember  
Do you remember me  
Do you remember  
Will you remember

## Acordes

[Segunda Parte]

Last summer  
We made plans like we would always be  
We said by now that's we'd have everything and more  
I never thought that's we'd be dreaming on our own

[Pré-Refrão]

'Cause I'm getting older  
Know that I've changed  
And I can't go back now  
Nothing's the same  
But I won't forget how  
You called my name  
When I was afraid  
And now I'm afraid

[Refrão]

Will you remember me  
Will you remember the way that I was  
Will you remember me  
Will you remember the way that you felt when you're next to me  
Will you remember  
Do you remember me  
Do you remember  
Will you remember  
Will you remember  
Do you remember me  
Will you remember  
Do you remember me (mmm)

[Solo Final]

I think that was it
