

# Uncle Kracker - Smile

tom:

E

(intro) E Gbm A

(verse 1)

E Gbm  
You're better than the best

A  
I'm lucky just to linger in your light

E Gbm A  
Cooler than the flip side of my pillow, that's right

E Gbm  
Completely unaware

A B  
Nothing can compare to where you send me,

A Gbm A  
Lets me know that it's ok, yeah it's ok

B A Gbm  
And the moments where my good times start to fade

(chorus)

E  
You make me smile like the sun

B A  
Fall out of bed, sing like a bird

Gbm E  
Dizzy in my head, spin like a record

B A Gbm  
Crazy on a Sunday night

E  
You make me dance like a fool

B  
Forget how to breathe

Dbm A  
Shine like gold, buzz like a bee

E B A  
Just the thought of you can drive me wild

Gbm E  
Ohh, you make me smile

( E Gbm A )

E Gbm  
Even when you're gone

A  
Somehow you come along

B A Gbm A  
Just like a flower poking through the sidewalk crack and just like that

B A Gbm  
You steal away the rain and just like that

(chorus)
