

# Under The Symphony - We Sink Together

tom:

Intro: A G F D  
A G F D

I'm so tired of thinking about tomorrow  
Every single day seem so long without you  
It seems so hard to take courage and move forward  
But if you never try, you'll never know

I can't promise to fix all your problems  
But you won't have to face them alone  
And don't even try to worry about my feelings  
They are safe with you by my side

We sink together  
(Together we'll be unbroken)  
We sink together  
(Against all the obstacles)  
We sink together  
(Hold my hand and never let go)  
We sink together

Remember that stars can not shine without darkness  
And you and I will fight for arise

If you want to conquer all your deepest fears  
Take my hand and let's face the world

We sink together  
(Together we'll be unbroken)  
We sink together  
(Against all the obstacles)  
We sink together  
(Hold my hand and never let go)  
We sink together

Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na

We sink together  
(Together we'll be unbroken)  
We sink together  
(Against all the obstacles)  
We sink together  
(Hold my hand and never let go)  
We sink together
