

The Undertones - There Goes Norman

tom:

Gb

B

Oh watch a man

Abm

There goes Norman

He'll get you if he can

Abm

There goes Norman

He's always hiding

In the dark

Be sure to wander past

The park at night

(B E Abm Gb)

Oh what a surprise

There goes Norman

He'll poke out your eyes

There goes Norman

He never let's himself

Be heard

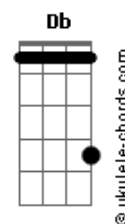

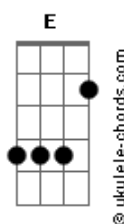

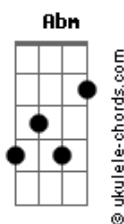

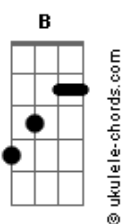

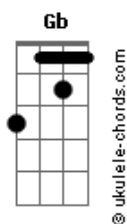

Too busy running after

Girls at night

There goes Norman

There goes Norman

Acordes

There goes Norman

(B Gb)

Mother tell me

What can I do?

The girls are laughing

They're very cruel

Don't worry Norman

Your time'll come

And you can mean them

And bring them home

(B E Abm Gb)

He's out to night

There goes Norman

He'll slain tonight

There goes Norman

Meanwhile the cops

Are on the heat

Cos Norman's waiting in

The street tonight

There goes Norman
