Verse 1

There was one when I was young
 Who knew my heart He knew my sorrow
 He held my hand
 and he lead me to trust him

Inst

Coro 1

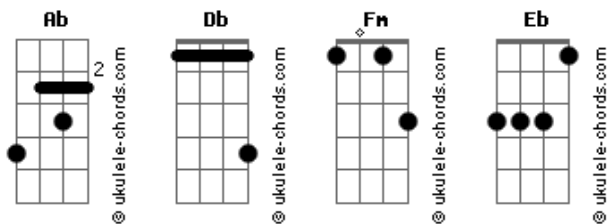

Now I am hidden in the safety of your love
 I trust your heart and your intentions
 Trust you completely, I'm listening intently,
 You'll guide me through these many shadows

Instrumental 2x

Verso 2

As I grow and as I change
 May I love you more deeply
 I will lean upon your grace I will lean because your goodness
 is unending

Acordes

Coro 2

You are my vision, my reason for living
 Your kindness leads me to repentance
 I can't explain it, this sweet assurance
 But I'll never know this kind of friend
 I can't explain it, this sweet assurance
 But I'll never know this kind of friend

Instrumental X2

Verso 3 2x

The sun, moon and stars
 Shout your name, they give you reverence
 And I, will do the same
 With all my heart, I give you glory

Coro 3 (2x)

I wanna seek you first, I wanna love you more
 I wanna give you the honor you deserve
 So, I'll bow before you, I am overcome
 By the beauty of this perfect love

Instrumental
