Acordes

Who can know my heart like you do
For all creation sings your song
And I will join with them declaring your glory (2X)
We can run straight into your arms unafraid
Cuz every time we need you we're met by love
And can lift our hands to heaven full of faith
Cuz every time we worship we see your face (2 X)
see your face see your face
see your face (2 X)
There is no one like you Lord
you Lord (8 X)
