

United Pursuit - Running In Circles

tom:

I'm so forgetful
 But you always remind me
 You're the only one
 Who brings me peace
 So I come
 Lord I come
 I come
 Lord I come

To tell you I love you
 To tell you I need you
 To tell you this no better place for me
 Than in you're arms
 To tell I'm sorry
 For running in circles
 For place in my focus
 In some waves not on you're face
 You're the only one who brings me peace
 In the storm
