Am G F  
I feel like someone's up to something

Pull 'em out and watch my pain pour out  
Am G F  
Always the ones you hold the closest  
F E Am  
Always the ones you thought you trusted  
Am G F  
No memory is gonna save you  
F E E  
No memory is worth the pain you caused

[Refrão]

E Am  
I just want revenge  
Am  
And a little bit more, and a little bit more  
G F  
Lower your defense  
F E  
Just a little bit more, just a little bit more  
E Am  
I am confident

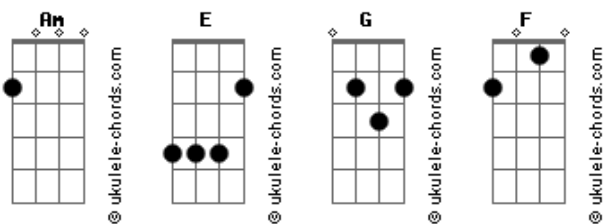

With a little bit more, with a little bit more  
G F  
I'll hit you with some sense

I just want revenge
