tom:

Bb (forma dos acordes no tom de A)

Jesus, Jesus
Precious Lord
None on the earth nor
Heaven's above
That I have found
More beautiful
You are my treasure
My great reward

I just wanna move Your heart
It's all I wanna do
I just wanna stand in awe
And pour my love on You
No matter how much the cost
I freely give it all to You
Oh, Jesus

Jesus, Jesus
My offering
All my ambitions
My hopes, my dreams
And here's my life, Lord
A sacrifice
Oh, just to bless You

I just wanna move Your heart
It's all I wanna do
I just wanna stand in awe
And pour my love on You
No matter how much the cost
I freely give it all to You
All to You

I just wanna move Your heart
Get caught within Your gaze
Right here in Your presence, God
Is where I wanna stay
Oh, just to dwell in Your house
Waste my hours and my days on You

Just on You
Is it a fragrance?
Then I pour my oil out
Is it a life laid down?
Then here I give my vows
Is it a song I sing?
Then here's every melody
Just tell me what moves You
Tell me what moves You
Is it a fragrance?
Then I pour my oil out
Is it a life laid down?
Then here I give my vows
Is it a song I sing?
Then here's every melody
Just tell me what moves You
Tell me what moves You

I just wanna move Your heart
It's all I wanna do
I just wanna stand in awe
And pour my love on You
No matter how much the cost
I freely give it all to You
All to You

I just wanna move Your heart
Get caught within Your gaze
Right here in Your presence, God
Is where I wanna stay
Oh, just to dwell in Your house
Waste my hours and my days on You
Just on You

Is it a fragrance?

Is it a life laid down?
