tom:  
 Bb (forma dos acordes no tom de A )  
 Capostrate na 1ª casa

Jesus, Jesus  
 Precious Lord  
 None on the earth nor  
 Heaven's above  
 That I have found  
 More beautiful  
 You are my treasure  
 My great reward

I just wanna move Your heart  
 It's all I wanna do  
 I just wanna stand in awe  
 And pour my love on You  
 No matter how much the cost  
 I freely give it all to You  
 Oh, Jesus

Jesus, Jesus  
 My offering  
 All my ambitions  
 My hopes, my dreams  
 And here's my life, Lord  
 A sacrifice  
 Oh, just to bless You

I just wanna move Your heart  
 It's all I wanna do  
 I just wanna stand in awe  
 And pour my love on You  
 No matter how much the cost  
 I freely give it all to You  
 All to You

I just wanna move Your heart  
 Get caught within Your gaze  
 Right here in Your presence, God  
 Is where I wanna stay  
 Oh, just to dwell in Your house  
 Waste my hours and my days on You

Just on You  
 Is it a fragrance?  
 Then I pour my oil out  
 Is it a life laid down?  
 Then here I give my vows  
 Is it a song I sing?  
 Then here's every melody  
 Just tell me what moves You  
 Tell me what moves You  
 Is it a fragrance?  
 Then I pour my oil out  
 Is it a life laid down?  
 Then here I give my vows  
 Is it a song I sing?  
 Then here's every melody  
 Just tell me what moves You  
 Tell me what moves You

I just wanna move Your heart  
 It's all I wanna do  
 I just wanna stand in awe  
 And pour my love on You  
 No matter how much the cost  
 I freely give it all to You  
 All to You

I just wanna move Your heart  
 Get caught within Your gaze  
 Right here in Your presence, God  
 Is where I wanna stay  
 Oh, just to dwell in Your house  
 Waste my hours and my days on You  
 Just on You

Is it a fragrance?  
 Then I pour my oil out  
 Is it a life laid down?  
 Then here I give my vows  
 Is it a song I sing?  
 Then here's every melody  
 Just tell me what moves You
