

# Upper Room Music - Unto The Lamb

tom:

Intro: Am Dadd9 F Bb7

[Primeira Parte]

Our atmosphere  
Bowling in reverence  
You're in our midst  
We cannot ignore it  
We hear Your steps  
We feel Your Kingdom  
Jesus, you're taking over

[Segunda Parte]

Treasures and crowns  
Down at Your feet  
Honor and fame  
Only belong to You  
You are before  
Everything  
Grasping it all together

[Pré-Refrão]

One, just One, just One found worthy  
One, just One, just One  
One, just One, just One

[Refrão]

Holy is the Lord on high  
Your glory fills the temple  
Holy is the Lord on high  
Holy is the Lord on high  
We join in with the elders  
Holy is the Lord on high

[Interlude] Am7 C7M Am7 C7M

[Terceira Parte]

Unto the Lamb  
Beaten and bruised  
Killed for our sin  
You were the sacrifice  
Raised from the dead  
Breathing again  
Our Jewish King

Seated in majesty

[Pré-Refrão]

One, just One, just One found worthy  
One, just One, just One  
One, just One, just One  
One, just One, just One  
One, just One, just One

Lifted up  
You're lifted up high  
High, high, high  
All the earth is Your footstool, Lord  
Lifted up  
So much higher  
So much higher, yes  
Unto the Lamb, unto the Lamb

[Ponte]

And unto the Lamb, unto the Lamb  
This beautiful Man who reigns forever  
Glory to God in the highest  
We praise You
