

# Us - I Will Wait For You

Tom: C

Am G C  
 Everything was fine the way it was, Normal and ordinary  
 Am G C  
 Then there was you, so randomly too, And now you're staring at  
 me

Am G  
 No one can choose who they fall for  
 C F  
 Or when they fall, or how they fall, or why  
 Am G C  
 I, well I fell for you and I must wait, it's only a matter of  
 time

Am F C G  
 I will wait for you my darling  
 Am F C G  
 and I will wait for you

Oooh  
 Oooh

Am G C  
 Everything was cool the way it was. Just me, my thoughts, and  
 I  
 Am G C  
 And then there was you, so randomly too, the way that you  
 walked by.

Am G

No one can choose who they fall for  
 C F  
 Or when they fall, or how they fall, or why  
 Am G C  
 I, well I fell for you and I must wait, it's only a matter of  
 time

Am F C G  
 I will wait for you my darling  
 Am F C G  
 and I will wait for you

Am  
 No, No I don't fall in love  
 G  
 No I can't fall in love  
 C G  
 It's much too complicated

Am  
 Having tried it before  
 G  
 I don't need it anymore  
 C G  
 So I thought, So I thought, So I thought

Am F C G  
 I will wait for you my darling  
 Am F C G  
 and I will wait for you
