

Utada Hikaru - Come Back To Me

tom:

Intro: G Em C G

The rain falls on my windows
 And the coldness runs through my soul
 When the rain falls, oh when the rain falls
 I don't want to be alone

I wish that I could Photoshop on
 Our bad memories
 Because the flashbacks, oh the flashbacks
 Won't leave me alone

If you come back to me
 I'll be all that you need

Baby, come back to me
 Let me make up for what happened in the past

Baby come back to me
 Come back
 I'll be everything you need
 Come back
 Baby come back to me
 Come back

Boy, you're one in a million

Baby come back to me
 Come back
 I'll be everything you need

Come back
 Baby come back to me
 Come back
 Boy, you're one in a million
