

# V (BTS) - Fools

tom:

I am tired of this place, I hope people change  
 I need time to replace what I gave away  
 And my hopes, they are high, I must keep them small  
 though I try to resist I still want it all

I see swimming pools and living rooms and aeroplanes  
 I see a little house on a hill and children's names  
 I see quiet nights poured over ice and Tanqueray  
 but everything is shattering and it's my mistake

[Refrão]

Only fools fall for you, only fools  
 Only fools do what I do, only fools fall  
 Only fools fall for you, only fools  
 Only fools do what I do, only fools fall

( Eb F Dm Cm7 )

Oh, our lives don't collide, I'm aware of this  
 We've got differences and impulses and your obsession with  
 the little things you like stick, and I like aerosol  
 I don't give a fuck, not giving up, I still want it all

[Refrão]

Only fools fall for you, only fools  
 Only fools do what I do, only fools fall  
 Only fools fall for you, only fools  
 Only fools do what I do, only fools fall

I see swimming pools and living rooms and aeroplanes  
 I see a little house on the hill and children's names  
 I see quiet nights poured over ice and Tanqueray  
 but everything is shattering and it's my mistake

[Refrão]

Only fools fall for you, only fools fall  
 Only fools do what I do, only fools fall  
 Only fools fall for you, only fools fall  
 Only fools do what I do, only fools fall

Only fools fall for you, only fools  
 Only fools do what I do, only fools  
 Only fools fall for you, only fools  
 Only fools do what I do, only fools fall

Only fools, only fools, only fools, Only fools  
 Only fools, only fools, only fools, Only fools
