

# Vale do Amanhecer - Hino do Amanhecer

Tom: G

Sob o céu azul do amanhecer  
 Seta branca de amor apareceu  
 Com as ordens do oriente nos faz ver  
 A grandeza que Jesus nos concedeu  
 Prana-luz aqui resplandeceu  
 Do oriente maior que é de tapir  
 Conduzindo as almas tristes para Deus

Neste templo de esperança e de porvir

Salve Deus, Criador  
 Do universo és o Senhor!  
 A bandeira rósea de Jesus  
 Nosso símbolo de fé sempre há de ser  
 Tremulando neste vale ela traduz  
 As mensagens que do astral queremos ter  
 Salve Deus, Criador!
