

Validat  - Eu Te Considerava Tanto

Tom: Gb

m [Intro] A Bbm A Bbm A Bbm

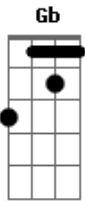

 , quando eu te vi
 J  senti um troço estranho
 Algo que ent o desconhecia
 N o acreditava no que via
 Mas pedia que fosse verdade
 Pura verdade, carne, osso e maldade
 Mulher, quando eu tentei
 In til aproximar-me
 N o faria parte dos teus planos
 Eu te desejei por esse ano
 Um outono longo e acinzentado
 Isso   passado

Acho que me sinto bem
 Melhor eu andei sabendo o quanto
 Que a sua vida anda mal
 No final sobrou o amargo pra voc 

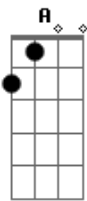

Eu te considerava tanto
 Mas, agora tudo acabou
 Tempo distancia meu bem
 A gente muda tamb m
 Depois que sofre

Eu quis te dar todo esse amor
 Saiba que sim, mas acabou
 O mundo sabe girar
 Chegou a sua hora agora
 Pode chorar
