

# Vampire Weekend - Giving Up The Gun

Tom: A

(intro) A Gbm E D

(chorus )

A Your sword's grown old and rusty  
E D

Burnt beneath the rising sun

A Gbm It's locked up like a trophy  
E D

Forgetting all the things it's done

And though it's been a long time  
You're right back where you started from  
I see it in your eyes  
That now you're giving up the gun

(verse )

A When I was 17

Gbm I had wrists like steel  
E D

And I felt complete

And now my body fades  
Behind a brass charade  
And I'm obsolete

But if the chance remained  
To see those better days  
I'd cut the cannons down

My ears are blown to bits  
From all the rifle hits  
But I still crave that sound

(chorus )

A Your sword's grown old and rusty  
E D

Burnt beneath the rising sun

A Gbm It's locked up like a trophy  
E D

Forgetting all the things it's done

And though it's been a long time  
You're right back where you started from  
I see it in your eyes  
That now you're giving up the gun

(verse )

A I heard you play guitar  
Gbm

Down at a seedy bar

E D Where skinheads used to fight

Your Tokugawa smile  
And your garbage style  
Used to save the night

You felt the coming wave  
Told me we'd all be brave  
You said you wouldn't flinch

But in the years that passed  
Since I saw you last  
You haven't moved an inch

(chorus )

A Your sword's grown old and rusty  
E D

Burnt beneath the rising sun

A Gbm It's locked up like a trophy  
E D

Forgetting all the things it's done

And though it's been a long time  
You're right back where you started from  
I see it in your eyes  
That now you're giving up the gun

(bridge 7x)

A Gbm I see you shine in your way  
E D

Go on, go on, go on

(chorus )

A Your sword's grown old and rusty  
E D

Burnt beneath the rising sun

A Gbm It's locked up like a trophy  
E D

Forgetting all the things it's done

And though it's been a long time  
You're right back where you started from  
I see it in your eyes  
That now you're giving up the gun
