

Vampire Weekend - Run Acustico

Tom: D

^{D A G}
 Every dollar counts
^{D A G}
 And every morning hurts
^{D A G}
 We mostly work to live
^{D A G}
 Until we live to work
^{G A}
 She said, "You know,
^{G A}
 There's nowhere else to go."
^{G A}
 But change in rows
^{G A G D A}
 It struck me that the two of us could RUN.
 (G D A)
^{D A G}
 Worlds away from cars
^{D A G}
 And all the styles and bars
^{D A G}
 Where a little bit of competition means so much

^{D A G}
 And a little bit of change is all your little fingers touch
^{G A}
 I said, "You know,
^{G A}
 There's nowhere else to go."
^{G A}
 But change in rows
^{G A G D A}
 It struck me that the two of us could RUN.
 (G D A)
^G
 It's only with you
^{D A}
 It's the only else where to go
^G
 And I could take two
^{D A}
 But I really couldn't ever know
^G
 Honey with you
^{D A}
 And a little powered radio
^{G D A}
 We could try.
