

Vampire Weekend - Step

Tom: A
Intro: Every time I see you in the world, you always step to my girl

A A7M Gbm E D A D E

[Verse]

A
Back back way back
I used to front like Angkor Wat, Mechanicsburg, Anchorage and Dar es Salaam

D A
While home from New York was champagne and disco
Tapes from L.A. slash San Francisco

A A7M Gbm E
But actually Oakland and not Alameda
Your girl was in Berkeley with her communist reader
Mine was entombed within boombox and Walkman
I was a hoarder but girl, that was back then

[Bridge]

A A7M Gbm E

[Chorus]

A A7M Gbm E
The gloves are off, the wisdom teeth are out
What you on about?
I feel it in my bones, I feel it in my bones

A A7M Gbm E
I'm stronger now, I'm ready for the house
Such a modest mouse
I can't do it alone, I can't do it alone

A A7M Gbm E
Every time I see you in the world, you always step to my girl
D A D E

[Verse]

A A7M Gbm E
Ancestors told me that their girl was better
She's richer than Croesus, she's tougher than leather
I just ignored all the tales of a past life
Stale conversation deserves but a bread knife
And punks who would laugh when they saw us together
Well they didn't know how to dress for the weather
I can still see them there huddled on Astor
Snow falling slow to the sound of the Master

Acordes

[Chorus]

A A7M Gbm E
The gloves are off, the wisdom teeth are out
What you on about?
I feel it in my bones, I feel it in my bones
I'm stronger now, I'm ready for the house
Such a modest mouse
I can't do it alone, I can't do it alone

A A7M Gbm E D A D E

[Verse]

A A7M Gbm E
Wisdom's a gift but you'd trade it for youth
Age is an honour - it's still not the truth
We saw the stars when they hid from the world
You cursed the sun when it stepped to your girl
Maybe she's gone and I can't resurrect her
The truth is she doesn't need me to protect her
We don't know the true death - the true way of all flesh
Everyone's dying but girl - you're not old yet

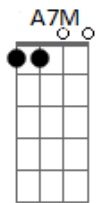

[Chorus]

A A7M Gbm E
The gloves are off, the wisdom teeth are out
What you on about?
I feel it in my bones, I feel it in my bones
I'm stronger now, I'm ready for the house
Such a modest mouse
I can't do it alone, I can't do it alone

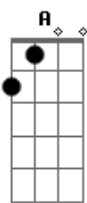

A A7M Gbm E
The gloves are off, the wisdom teeth are out
What you on about?
I feel it in my bones, I feel it in my bones

A A7M Gbm E
I'm stronger now, I'm ready for the house
Such a modest mouse
I can't do it alone, I can't do it alone

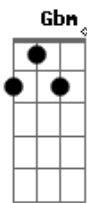

A A7M Gbm E
Every time I see you in the world, you always step to my girl
