

# Van Der Graaf Generator - Afterwards

Tom: G

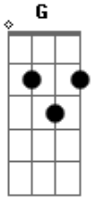

D D D D C G D A D  
 You stare out in yellow eyes larger than my mind  
D D D D C G D A  
 In viscous pools of joy, relaxing, we glide

Am G D  
 It's all too beautiful  
Am G D  
 For my mind to bear  
Am C G D  
 And, as we shimmer into sleep, something's unshared
