

Van Morrison - Going Home

Tom: C

Goin' home, he's goin' home
He'll be leavin', leavin' here today

Well if he don't leave now
Won't be goin' nowhere

Well home is where the heart is

Then my home's in New Orleans
Take me to that land of dreams

Lord, and if I don't leave now
I won't be goin' nowhere, nowhere

C C7

Goin' home He's goin' home (yeah, yeah, yeah)

Yeah he leaving, leaving here today

Well if he don't go now
I won't be goin' nowhere

What you say And what you do

Well it's times like that, then I'm tellin' you

Well if you don't leave now
I won't be goin' nowhere (nowhere, nowhere, said nowhere)

And if I don't leave now, I won't be goin' nowhere

Yeah but don't leave now

I won't be goin' nowhere
