Em D G  
The sun was setting over Avalon  
Bm C D G  
The last time we stood in the West  
Em D G  
Suffering long time angels enraptured by Blake  
Bm C D G  
Burn out the dross, innocence captured again

Em D G  
Standing on the beach at sunset  
Bm C D G  
All the boats keep moving slow  
Em D G  
In the glory of the flashing light  
Bm C D G G D Em D  
In the evening's glow

G C G C Em  
When will I ever learn to live in God?  
C G  
When will I ever learn?  
G C G C Em  
He gives me everything I need and more  
C G  
When will I ever learn?

Em D G  
You brought it to my attention  
Bm C D G  
That everything was made in God  
Em D G  
Down through centuries of great writings and paintings  
Bm C D G  
Everything was in God

Em D G  
Seen through architecture of great cathedrals  
Bm C D G  
Down through the history of time  
Em D G  
Is and was in the beginning  
Bm C D G

And ever more shall ever be

G C G C Em  
When will I ever learn to live in God?  
C G  
When will I ever learn?  
G C G C Em

C D  
What ever it takes to fulfill His mission  
C G  
That is the way we must go  
C D  
But you've got to do it in your way  
C D  
Tear down the old, bring up the new

Em D G  
And up on the hillside it's quiet  
Bm C D G  
Where the shepherd is tending his sheep  
Em D G  
And over the mountains and the valleys  
Bm C D G  
And the countryside is so green

Em D G  
Standing on the highest hill with a sense of wonder  
Bm C D G  
You can see everything is made in God  
Em D G  
Head back down the roadside  
Bm C D G  
And give thanks for it all

G C G C Em  
When will I ever learn to live in God?  
C G  
When will I ever learn?  
G C G C Em  
He gives me everything I need and more

When will I ever learn?
