C Am G  
I love you in the morning when the blood runs to your cheeks

Babe, you are the first thing and the last thing that I'd see

I was just a boy striking matches upon your heart

I couldn't get no sparks

Ask me to go faster, put my foot down to the floor

I loved you in the darkness and I loved you in fluorescent light  
C Am F  
If it don't feel right, babe

[Chorus 1]

You can run and hide, babe

You said I'm coming home, babe
