

Vance Joy - First Time

Tom: C

Verso:

^{Am} Come over to my house, ^G jump in the neighbour's pool

^C That felt nice, it felt so nice

^{Am} And it was getting dark, you wrapped your long legs

^C And we walked, the long way home

Pré-Refrão:

^{Am} Going on my first impression, I recall you wearing white

^C There was something sweet in the air, babe, that summer night

^{Am} There will always be another time for us to fall in love,

^C But it never cut you quite as deep,...

Refrão:

^{Am} As that first time, ouououh

^C You'll find out that the deepest cut is the

^{Am} First time, ouououh

^C First time is always cut the deepest

Verse:

^{Am} Bring me with your hands, show me a safe place

^C And I'll calm down, yeah I'll calm down

^{Am} And can you recognize, the look upon my face

^C Is on my lips, is in my eyes

^{Am} This bar will never break, won't you say it one more time

^C Won't you say my name, won't you say my name

^{Am} This bar will never break, won't you say it one more time

^C Won't you say, say my name
