

# Vance Joy - First Time

Tom: C

Verso:

<sup>Am</sup> Come over to my house, <sup>G</sup> jump in the neighbour's pool

<sup>C</sup> That felt nice, it felt so nice

<sup>Am</sup> And it was getting dark, you wrapped your long legs

<sup>C</sup> Around me, I held on tight

<sup>Am</sup> Lying in my bed, the unfamiliar sheets

<sup>C</sup> Were so cool, on your skin

<sup>Am</sup> When your daddy called, said you were at a friends

<sup>C</sup> And we walked, the long way home

Pré-Refrão:

<sup>Am</sup> Going on my first impression, I recall you wearing white

<sup>C</sup> There was something sweet in the air, babe, that summer night

<sup>Am</sup> There will always be another time for us to fall in love,

<sup>C</sup> But it never cut you quite as deep,...

Refrão:

<sup>Am</sup> As that first time, ouououh

<sup>C</sup> You'll find out that the deepest cut is the

<sup>Am</sup> First time, ouououh

<sup>C</sup> First time is always cut the deepest

Verse:

<sup>Am</sup> Bring me with your hands, show me a safe place

<sup>C</sup> And I'll calm down, yeah I'll calm down

<sup>Am</sup> And can you recognize, the look upon my face

<sup>C</sup> Is on my lips, is in my eyes

<sup>Am</sup> This bar will never break, won't you say it one more time

<sup>C</sup> Won't you say my name, won't you say my name

<sup>Am</sup> This bar will never break, won't you say it one more time

<sup>C</sup> Won't you say, say my name
