Am C G
I was only ten years old
Am C G
Like the back of my hand knew the roads
Am C G D
I swerved my bike and lost control, over the handles in the air
Am C G D
A lady who came walking by found me lying there
And the nurse at the hospital said

[Refrão]

Em Am
Little boy, don't be scared
Now your father is waiting in the next room
Em Am
Little boy, don't be sad
G C D
Now your mom's on her way, you'll be out of here soon, hmm-
mmm
Am C G D
Mmmm hmm, hmmm
Am C G D

Mmmm hmm

Am C G D
We drove so slowly through these streets
Am C G D
In the suburbs of our dreams, hmmm
Am C G D
At night my father closed his eyes, he saw the new car in the drive
Am C G D
My mother standing in the doorway, friday night, a smile on her face
And the voice I can hear in my head

[Refrão]

Em Am
Little boy, don't be scared
Now you know we'll be sleeping in the next room
Em Am
Little boy, don't be sad
G C D
Now tomorrow is as it is coming 'round soon, hmm-mmmm
Am C G D
Mmmm hmm, hmmm
Am C G D
Mmmm hmm

[Ponte]

Am C
We only need a little space
G D
Just somewhere we could call our place
Am C
My mother standing in the doorway
G D
Friday night, a smile on her face
Am C
These things always start so small
G D
With no applause and no drum roll
Am C
And I came running up the hallway
G D
See the car turn in the driveway, hmm hmmm
Em C G
Mmmm hmm
D Em C G
And I'll always be that little boy
D Em C G
And I've always been that little boy
D Em C G
Yeah, I'll always be that little boy
D Em C G
And I'll always be that little boy
