

# Vance Joy - Saturday Sun

Tom: C

C Em G  
Oh, Saturday sun  
D  
I met someone  
C Em  
Out on the west coast  
G D  
I gotta get back, I can't let this go

C Em G  
Oh, Saturday sun  
D  
I met someone  
C Em  
Don't care what it costs  
C Em G D  
No ray of sunlight's ever lost

C Em  
So tired of sleeping alone  
G D  
So tired of eating alone  
C  
I need to ask her  
Em G D  
What's going on, are we going strong?

C Em  
She fell, I rested her head  
G D  
My shoulder was the perfect height  
C  
We fit so right  
Em G D  
So what's going on? Cause I've been undone

C Em  
The long drive, the coastline  
G D  
Looking out at first light  
C Em  
Am I still on her mind?  
G  
I've been undone

C Em G  
Oh, Saturday sun

Em G D  
Softer than this, I'm reading her lips

C Em  
Oh, each night, I read  
G D  
She left her books in my bed

And her song, in my head  
G  
I've been undone
