

Vance Joy - Saturday Sun

Tom: C

C Em G
Oh, Saturday sun
D
I met someone
C Em
Out on the west coast
G D
I gotta get back, I can't let this go

C Em G
Oh, Saturday sun
D
I met someone
C Em
Don't care what it costs
C Em G D
No ray of sunlight's ever lost

C Em
So tired of sleeping alone
G D
So tired of eating alone
C
I need to ask her
Em G D
What's going on, are we going strong?

C Em
She fell, I rested her head
G D
My shoulder was the perfect height
C
We fit so right
Em G D
So what's going on? 'Cause I've been undone

C Em
The long drive, the coastline
G D
Looking out at first light
C Em
Am I still on her mind?
G
I've been undone
