

Vance Joy - Snaggletooth

Tom: G

C Em
Waiting for you baby

Through the coldest days
Huddled in the backseat of the van

And I know a girl who
would wait until it's dark

When she sings the heavens part
They part

Oh, oh

D G C Em
And i held my ground

D G C
When I heard those sounds

Em
Coming out

D G
And I must have cried

C Em
When I held those hands

D G
So do you know what I mean

C Em
So do you know how I feel

D G C
So do you know what I mean

C
Baby don't you know that

Em
I love your snaggletooth

I see it poking when you laugh

And baby don't you know that

Em
I love those pigeon toes

I hope that you get these pigeon lungs

Em

D G C Em
And i held my ground

D G C
When I heard those sounds

Em
Coming out

D G
And I must have cried

C Em
When I held those hands

D G
So do you know what I mean

C Em
So do you know how I feel

D G C
So do you know what I mean

And I will try my best
To take this big old hen
And I will know his name
And always feel the same
And I'll light up so bright
Any orange glow
And I'll light so bright
Any orange glow

C Em
Glow-o

D G C Em
And i held my ground

D G C
When I heard those sounds

Em
Coming out

D G
And I must have cried

C Em
When I held those hands

D G
So do you know what I mean

C Em
So do you know how I feel

D G
So do you know So do you know

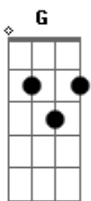

C Em
So do you know So do you know

D G
So do you know So do you know

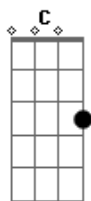

C Em
So do you know So do you know

D G
So do you know what I feel
