

Vance Joy - We're Going Home

Tom: G

Under the surface, You don't know what You'll find
 Hmm, until it's Your time
 No second chances but all We can do is try
 Hmm, I made up My mind

[Pre-Chorus]

I can't see You
 But I hear Your call
 Baby, hold on now

[Chorus]

We're going home
 If We make it or We don't, We won't be alone
 When I see Your light shine, I know I'm home
 If You're waiting all Your life, You will never go
 When I see Your light shine, I know I'm home
 When I see Your light shine, I know I'm home
 When I see Your light shine

[Verse 2]

Some things are simple and hard to ignore, They say,
 Hmm, the truth is like that
 We're getting colder, so far from the shore, I say,
 Hmm, the world is like that

[Pre-Chorus]

I can't see You
 Baby, hold on now

But I hear Your call
 Baby, hold on now

[Chorus]

We're going home
 If We make it or We don't, We won't be alone
 When I see Your light shine, I know I'm home
 If You're waiting all Your life, You won't ever go
 When I see Your light shine, I know I'm home
 When I see Your light shine, I know I'm home
 When I see Your light shine

[Bridge]

There's a place that I
 Wanna run with You
 Darling, there's a place that I
 Wanna run with You

[Chorus]

We're going home
 If We make it or We don't, We won't be alone
 When I see Your light shine, I know I'm home
 If You're waiting all Your life, You won't ever go
 When I see Your light shine, I know I'm home
 When I see Your light shine, I know I'm home
 When I see Your light shine, I know I'm home
 I'm home, I'm home
 When I see Your light shine
