

Vander Lee - Obscuridade

Tom: D

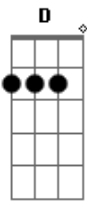

B7 **D7** **D7**
 Passei pelo mundo
A7
 Sem ser percebido
Am
 Ouvindo a tudo
Ab7 **Dbm7**
 E a nada dando ouvido
Bm **E7** **A7**
 Segui pelo caminho
A **Abm**
 Que tinha a minha frente
Db7 **Db7** **Db7** **Gb**
 Mas não encontrei a estrada
Gb7 **B7** **B7**
 Desejada em minha mente

Em7
 Nada fiz que aos outros
G
 Tivesse interessado
Am **Am** **B7** **B**
 Tudo que fiz foi por dever ou acovardado
Em7
 Por nada tive paixão
G
 Mas nada fiz por ódio
Am **Am** **B7**
 Se ausência de sentimentos
Em7
 Não significa maldade
Am **Am**
 Simplificando a história,
B7 **Em7** **B7**
 Vivi na obscuridade.
