White rabbits on the run

F C G Am
It's hard to know what's good for you
F C G
I know she'll let you down
F C G Am
But the fever breaks when it's too much to take
F G
So you can put your weapons down

F C F G
And all you'll hear is the music
F C F G
And beauty stands before you
F C F G
And love comes back around again
F G
It's a carousel, my friend

F C G Am
Never too late to change the pace
F C G
So all days creep up on you
F C G Am
But the goodness is something you don't have to chase
F G
Cause it's following you
