Tom: C

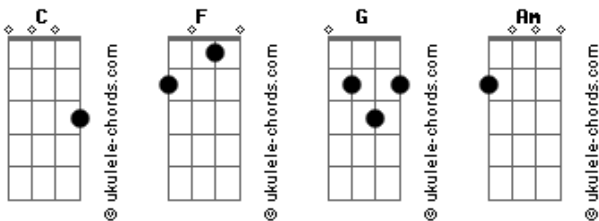

F C G Am  
 For all you broken hearted lovers lost  
 F C G  
 Go find another one  
 F C G Am  
 Cause you know time won't wait and you'll be late  
 F G  
 White rabbits on the run  
 F C G Am  
 It's hard to know what's good for you  
 F C G  
 I know she'll let you down  
 F C G Am  
 But the fever breaks when it's too much to take  
 F G  
 So you can put your weapons down

F C F G  
 And all you'll hear is the music  
 F C F G  
 And beauty stands before you  
 F C F G  
 And love comes back around again  
 F G  
 It's a carousel, my friend  
 F C G Am  
 Never too late to change the pace  
 F C G  
 So all days creep up on you  
 F C G Am  
 But the goodness is something you don't have to chase  
 F G  
 Cause it's following you
