(verso 1)

(verso 2)

A Gbm7 Ebm7 D  
 You light me up and then I fall for you  
 You lay me down and they I call for you  
 Stumbling on reasons that are far and few  
 I'd let it all come down and then some for you

A Gbm7 Ebm7 D  
 And I know things can't last forever  
 but there are lessons that you'll never learn  
 Oh just the scent of you it makes me hurt  
 so how's it you that makes me better?
