

# Vanguart - Beloved

Tom: **A**  
Intro: &verso

Get on the turkish line  
You've never written a diamond under my door  
I'm through this door

Sometimes it closes my eyes  
Sometimes it comes on time  
Some lies were hidden

The sun shines in the son's heart  
**A Gb7 A Gb7**  
Then flows the hat, then grows the red carpet

I wasn't ready to be loved

by you

Almost a year ago, dreamin' alive  
Pushing those pills around  
I was dead, I was dead

Climbing that road

**A Gb7**  
My grave is there  
My eyes are swamp again

Wasn't ready to be loved  
by you.
