[Verso 1]

Since we last spoke **Ab7M**  
 The past eleven weeks **Bbm7**  
**Ab7M** The stacks of paper **Fm** left me feeling  
**Ab7M** Like sentence is not quite what it seems **Abm** **Db**  
**Eb7** When we last wrote **Ab7M**  
 It was the sun and me **Bbm7**  
**Ab7M** With cliffs as high  
**Fm** And fears as deep  
**Ab7M** With my... magnum opus, my starry-eyed recitative **Abm** **Db**

[Refrão]

The color of these trees **Ab7M**  
**Ab7** It's like something from a movie **Db7M**  
**Ab7M** Last night I smiled **Ab7**  
**Db7M** While laughing at a moonbeam  
**Bb7** We're all moving

( **Ab7M** **C** **Fm** **Db** **Eb7** )

[Verso 2]

I felt awoke **Ab7M**  
 Our summer music spree **Bbm7** **Ab7M**  
 My reflections on being cut free **Fm** **Ab7M**  
 It's turning out to be the strength I need **Abm** **Db7M** **Eb7**  
 I hope you know **Ab7M**  
 That there's still joy for me **Bbm7** **Ab7M**  
 In fleeting moments  
 I take relief **Fm** **Ab7M**  
 In my suspicion that these past months **Abm**  
 Were a dream **Db7M** **Eb7**

[Refrão 2]

You should see these trees **Ab7M** **Ab7**  
 It's like something from a movie **Db7M**  
**Ab7M** And when she smiles **Ab7**  
**Db7M** The earth's no longer moving  
**Bb7** The thought's soothing
