

Vanzan - Um Elo de Amor e de Fraternidade

Tom: C

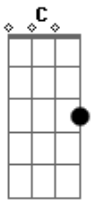

Um raio de luz, um sonho de paz
 O amor que irradia essa imensa alegria
 De juntos uma vez mais
 Unidos na fé, em Deus e Jesus

Tão alegremente formando a corrente
 De amor e de Luz

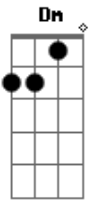

Que nasce no peito, então é so brilhar
 E vai se expandindo , e a gente sorrindo, se põe a cantar

[Refrão]
 Que bom é estar aqui
 Nessa grande amizade
 Jesus é o caminho
 Nosso elo de amor e de fraternidade
