Dm G C Em Dm G
I would disturb your easy tranquility

Dm G C Em Dm G
I'd like to walk around in your mind someday

I'd like to walk all over the things you say to me

I'd like to run and jump on your solitude
Dm G C Em Dm G
I'd like to rearrange your latitude to me

(Dm G C Em Dm G)
(Dm G C Em Dm G)

[Ponte 2]

Bb F Bb C Em G
I'd sit there in the sun of the things I like about you
Bb F Bb C Em Dm G
I'd sing my songs and find out just what they mean to you

Bb F Bb C Em G
You say you just want peace and you'd never hurt anyone
Bb F Bb C Em Dm G
You see the end before the beginning has ever begun

[Verso 3]

But most of all I'd like you to be unaware
Dm G C G Dm G
And I'd just wander away trailing palm leaves behind me, so
you
Don't even know that I've been there
