

## Vashti Bunyan - Train Song

```
Intro: Em
Travelling north, travelling north to find you
Train wheels beating, the wind in my eyes
Don't even know what I'll say when I find_you
         out your name love, dont be surprised
                        Em
It's so many miles and so long since I've met you
                        Em
Don't even know what I'll find when I get to you
 C D
But suddenly now I know where I belong
  G D
It's many hundred miles and it won't be long
Am Em

It's so many miles and so long since I've met you
                         Em
Don't even know what I'll find when I get to you
But suddenly now I know where I belong
