

# Stevie Ray Vaughan - Tick Tock

Tom: **A**

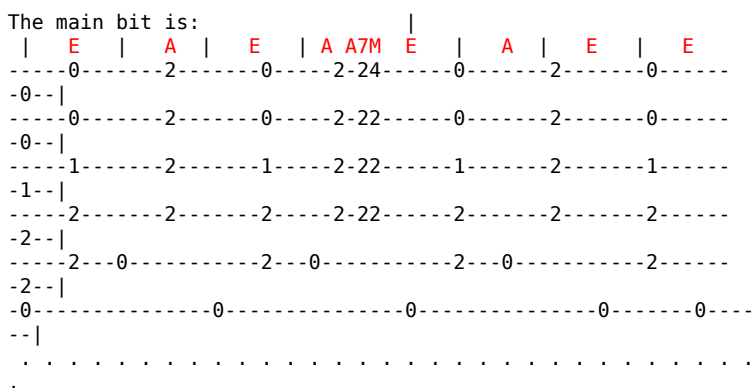

(com acordes na forma de **E**)  
Capostrate na 5ª casa

From: (Jeremy Dean Crowhurst)

This is a version that sort of sounds kinda close, for one guitar... If there is anyone out there who is, you know, competent, and is working on this song, by all means get it done and get it posted. This is at best adequate, and only for hacks such as myself.

The album version is played with a capo at the 5th fret. This is as you play it in standard position.

The main bit is:

The other bit is:

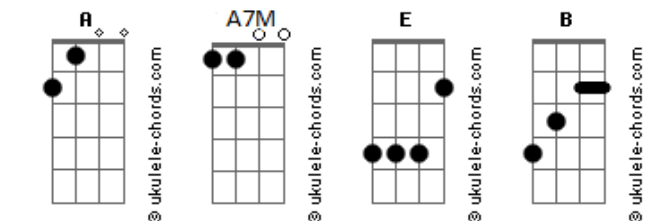

**A** **B** **E** **B**

.....

(The turnaround might be x57775 instead of xx2454...)  
Intro: (spoken, over the main riff)

One night while sleeping in my bed I had a beautiful dream  
That all the people of the world got together on the same

wavelength  
And began helping one another  
Now in this dream universal love was the theme of the day  
Peace and understanding, and it happened this way.  
The sick, the hungry, had smiles on their faces  
The tired and the homeless had family all around  
The streets and the cities were all beautiful places  
And the walls came tumblin' down.  
... **E** **A** / / / / / **B** / / / / **EEE** B...  
People of the world all had it together,  
... **A** / / / / / **B** / / / / / **EEE** B...  
Had it together for the boys and the girls,  
... **A** / / / / / **B** / / / / / ...  
Children of the world look forward to a future,

...  
Remember  
Tick tick, tick tick, tick tick people,  
Time's tickin' away.

Remember that  
Tick tick, tick tick, tick tick people,  
Time's ticking away.

I had a vision of blue skies from sea to shining sea  
All the trees in the forest stood strong and tall again  
Everything was clean and pretty and safe for you and me,  
The worst of enemies became the best of friends

People of the world, all had it together,  
Had it together for the boys and the girls,  
Children of the world look forward to a future,

Remember, tick tick, tick tick, tick tick people,  
Time's ticking away  
Remember that, tick tick, tick tick, tick tick people,  
Time's tickin' away.
