

Vavá Rodrigues - Eterna Canção

tom:

Intro: Dm C G Bb
Dm C G Bb

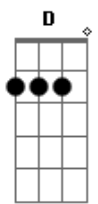

E ouvi vozes, um coro de milhões de vozes
Forte som a invadir todo o ar
Anciãos, anjos, todos os seres viventes
Do céu, da terra e do mar

Cantando alto para o mundo ouvir

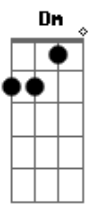

Abrindo a boca num perfeito louvor
Em volta do trono e a uma só voz
Numa eterna canção

Digno é o Cordeiro de receber
Sabedoria, força, honra e poder
Riqueza, glória e a benção
Para todo o sempre
