

Eddie Vedder - Better Days

Tom: C

I feel part of the universe opened up to meet me.
 My emotion so submerged broken down to kneeling
 once listening
 voices they came
 Had to somehow read myself
 read myself
 heard vibration within my cells
 in my cells
 Singing ah ah ah ah ah ah
 My love is safe for the universe
 See me now I'm bursting
 On one planet so many turns
 different worlds
 singing ah ah ah ah ah ah
 (solo) C F C F C F C F G
 From my heart with discipline
 Put there for the teaching

In my head see clouds of stairs
 Help me as I'm reaching
 The future's paved with better days
 (G C G F C C G G)
 I'm running from something
 I'm running towards the day
 wide awake
 A whisper once quiet
 Now rising to a scream
 I am me.
 I'm falling free fallin
 World's calling me
 Above my needs
 Oh I'm soaring
 Yeah and darlin' you'll be the one that I can need
 Still be free
 Our futures paved with better days
 (G C B A G)
