

Eddie Vedder - Here's To The State Of Mississippi

Tom: G
Intro: G

G C G
here's to the judges of John Roberts,
G C D
who wear the robe of honor in a phony legal form,
G C D
and justices are stranger when the partisans report,
G C
D
when the court elected a president it was the beginning of
this war,

G Em C G
here's to the land you tore out the heart of,
G Em C D G
John Roberts find yourself another country to be part of
(C,G)

G C G
here's to the government of Dick Cheney,
G C D
with criminals posing as advisors to the crown,
G C
D
and they hope that no one sees the sites or that no one hears
the sounds,
G C D
cause the speeches of our president are the remains of a clown

G Em C G
here's to the land you tore out the heart of,
G Em C D G
Dick Cheney find yourself another country to be part of
(C,G)

G C G
here's to the churches of Jerry Falwell,
G C D
oh the cross once made of silver now is turned to rust,
G C D
and the sunday morning services preach in fear of men in love,
G C D
and God only knows in heaven they must trust

G Em C G
here's to the land you tore out the heart of,
G Em C D G
Jerry Falwell find yourself another country to be part of
(C,G)

G C G
here's to the laws of Alberto Gonzalez,
G C D
congress will pass an act in the panic of the day,
G C D
and the Constitution's drowning in an ocean of decay,
G C D
and freedom of speech is dangerous i've even heard them say,

G Em C G
here's to the land you tore out the heart of,
G Em C D G
Gonzalez find yourself another country to be part of
(C,G)

G C G
here's to the businessmen of George W,
G C D
who'll want to change the focus from Halliburton to Enron
D C
and their profits like blood money spilled out on the white
house lawn,

G C D
to keep their hold on power they're using terror as a con,
G C
D
while the bombs they fall on children dont know which
side...dont care which side that they're on

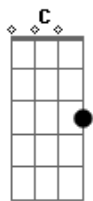

G Em C G
here's to the land you tore out the heart of,
G Em C D G
George W find yourself another country to be part of

G Em C G
here's to the land youve torn out the heart of,
G Em C D G
George W find yourself another country to be part of
