

# Eddie Vedder - Satellite

Tom: C  
Intro: 4x: G7sus4 G7

Dm G  
Its no shame that love's a game that  
Em7 A7  
I can only play with you  
Dm G  
What I'm saying is I'm here waiting  
C C7  
For you

G Gdim  
I've seen the light I'm satisfied that  
Cm G  
The brightest star that's you  
G Gdim  
Satellite I'm holding tight  
Cm G  
Beaming back to you

Dm G  
Days turn into night turns into  
Em7 A7

Days turn into today  
Dm G  
Don't think I'm out playin cause I'm inside waiting  
C C7  
For you

G Gdim  
I've felt the light I'm satisfied that  
Cm G  
The highest high is you  
G Gdim  
Satellite I'm holding tight  
Cm G  
Beaming back to you

Dm Fm  
Don't you worry I believe your story  
C A7  
You were put away for something you didn't do  
Dm G  
But I'm waiting I've been saving my love...

( G7sus4 G7 )(4x)
