

Velha Guarda da Portela - Portela Desde Que Eu Nasci

Tom: A

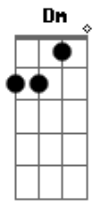

m
 Eu sou Portela
 Desde os tempos de criança
 Ainda guardo na lembrança
 Algo e vou revelar
 Me lembro o Paulo quando sorrindo dizia
 Ao sambista que surgia
 O segredo e o seu modo de cantar

Am E7 Am A7 Dm G7 E7 Am F7 E7 Am Am

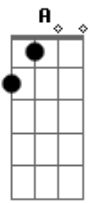

Ficava alegre quando ouvia o entoar de um hino
 Lá vem Rufino, novidades ele vem apresentar
 Abriu-se o pano surge o mano Caetano
 Abelardo fracassou
 Seu chapéu caiu na linha
 Seu terno melhor rasgou
 Seu chapéu caiu na linha
 Seu terno melhor rasgou
