

# Velha Guarda do Camisa Verde e Branco - Tributo à Velha Guarda

Tom: G

Venha mexer com as cadeiras até o dia clarear

Quem não viu agora vai ver  
 Com a velha guarda o samba vai amanhecer  
 Venha pra cá você vai gostar e sambar

Samba miudinho, pra lá e pra cá  
 Só no sapatinho, poeira vai levantar  
 Alegria ohh, poeira  
 A velha guarda camisa verde levanta poeira
